

Redmond Clay Studio

Redmond Clay Studio is a working studio dedicated to growing the local art community. We offer classes for all ages and experience levels to explore the ceramic arts. Our instructors are professional artists and educators committed to sharing their knowledge and craft. Adult class fee includes first 25lb. bag of clay, glazes, and open studio practice time. Clay tool starter kit is available for \$16.

Adult & Child Clay Experience

Calling all adults! Parents, nannies, aunts, uncles, grandparents, two heads are better than one! You and your younger person can create something together that you will both remember forever. Model and decorate animals, plates, rattles and bowls using objects from nature or your own home. Paint everything with colorful glazes and watch them transform to stone in the kiln so they'll last forever. Price is per adult/child pair.

Saturday Clay Sampler

These one day classes are designed to give an introductory experience in the clay studio. Children 6-13 years old must be accompanied by a registered adult. Children 14 and older are welcome to attend alone. Classes are structured to allow people enough time make a pot and design the surface. We will glaze them in your choice of color and fire them when ready. You will be able to take your piece home in a few weeks. Try one, or try them all! Register each person separately.

Adult Clay - Beginning Wheel

If you are new to clay or already have some experience, this class will be a fun and exciting challenge. The potter's wheel is a beautiful way to engage with clay. Learn the fundamentals of working with clay as you throw, trim and glaze your pots. Discover the boundaries of plastic clay as you explore the world of pottery making through an informed understanding of material.

Adult Clay - Continuing Wheel

This class is for people who are comfortable with the basics of wheel throwing and want to continue the exploration. The key to making the pots you want is practice, practice, practice, reflect. Advanced throwing and decorating techniques will be covered as well as thrown and altered techniques. This class will focus on refining your throwing and trimming techniques so you can make well balanced pottery that is comfortable to use.

Extended Clay Samplers

These five week samplers are introductory classes designed to give you a well-rounded clay studio experience. Each week you will be guided through a specific project using a different pottery technique. The class will finish with you glazing your pieces in preparation for the final firing. During your five weeks of class you are welcome to use the open studio hours available to complete your pieces. All tools and materials will be supplied.
